

# Update on Early Initiation of Treatment for HIV And Optimal Use of PrEP

Wednesday, April 11, 2018  
9:00a PT / 12:00p ET  
1-hour Live Webinar

Jointly provided by Beyond AIDS Foundation and Postgraduate Institute for Medicine

Postgraduate Institute  
for Medicine  
*Professional Excellence in Medical Education*

Collaborators: David Geffen UCLA School of Medicine, Team Klausner, and HealthHIV

David Geffen  
School of Medicine

This activity is supported, in part, by an independent educational grant from Gilead Foundation.

## **Target Audience**

This activity is intended for clinicians engaged in primary care or in the treatment and care of patients with HIV. Persons living with or interested in HIV are also welcome.

## **Program Overview**

This webinar aims to prepare clinicians engaged in primary care and/or HIV treatment and care about how to initiate antiretroviral treatment for HIV at the first visit following a positive HIV antibody test; to initiate PrEP (pre-exposure prophylaxis for HIV) for appropriate patients at risk, in accordance with CDC guidelines; and to discuss with patients the common sexually transmitted infections that may occur in patients at risk, and the advantages of condom use in conjunction with PrEP

## **Educational Objectives**

*After completing this activity, the participant should be better able to:*

- Initiate antiretroviral treatment for HIV at the first visit following a positive HIV antibody test, and discuss the rationale of early treatment for patient care and public health.
- Initiate pre-exposure prophylaxis (PrEP) for HIV, for appropriate patients at risk, in accordance with CDC guidelines.
- Discuss with patients common sexually transmitted infections that may occur in patients at risk, and the advantages of condom use in conjunction with PrEP.

## **Faculty**

**Ronald P. Hattis, MD, MPH**, Associate Professor of Preventive Medicine, Loma Linda University School of Medicine

**Jeffrey D. Klausner, MD, MPH**, Professor of Medicine, UCLA David Geffen School of Medicine

**Gary A. Richwald, MD, MPH**, Medical Director, My Lab Box (Moderator)

All three faculty are also leaders of the Beyond AIDS Foundation.

## **Agenda (Pacific Time)**

9:00AM	Open/Introductions & CE credit announcement Dr. Gary Richwald
9:05AM	Initiate antiretroviral treatment for HIV at the first visit following a positive HIV antibody test Dr. Ronald Hattis
9:25AM	Appropriate conditions for prescribing PrEP & risks of discontinuing condoms, common sexually transmitted infections that may occur in patients at risk, and the advantages of condom use in conjunction with PrEP Jeffrey Klausner
9:45AM	Q & A Dr. Gary Richwald
9:55AM	Closing remarks & CME/CE credit reminder Dr. Gary Richwald

## **Joint Accreditation Statement**

JOINTLY ACCREDITED PROVIDER  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and Beyond AIDS Foundation.

Postgraduate Institute for Medicine is jointly accredited by the American Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

## **Physician Continuing Medical Education**

The Postgraduate Institute for Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## **Continuing Nursing Education**

The maximum number of hours awarded for this Continuing Nursing Education activity is 1.0 contact hours.

## **Disclosure of Conflicts of Interest**

Postgraduate Institute for Medicine (PIM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest (COI) they may have as related to the content of this activity. All identified COI are thoroughly vetted and resolved according to PIM policy. PIM is committed to providing its learners with high quality CME activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.

## **Faculty Disclosures**

*Ronald P. Hattis* receives Honoraria from Gilead Foundation (donated to Beyond AIDS Foundation).

*Jeffrey D. Klausner* receives Research Grants from Gilead, and receives Scientific Advisory fees from GSK and Cepheid.

*Gary A. Richwald* has Ownership Interest with myLAB Box (unrelated to content of this program); and receives Honoraria from Gilead (donated to Beyond AIDS Foundation)

### **Planners and Managers**

The PIM planners and managers, Trace Hutchison, PharmD, Samantha Mattiucci, PharmD, CHCP, Judi Smelker-Mitchek, MBA, MSN, RN, and Jan Schultz, MSN, RN, CHCP have nothing to disclose. The Beyond AIDS intern, Josileide Gaio has nothing to disclose. The UCLA project assistant, Chrysovalantis Stafylis, and former assistant Kristie Gordon, have nothing to disclose.

### **Disclosure of Unlabeled Use**

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications.

The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

### **Disclaimer**

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

### **How to Obtain your CME/CE Certificate**

Go to CME University: <http://www.cmeuniversity.com> and register or login (takes less than 1 minute).

Once logged into CME University, follow these steps:

1. Click on the "Find Post-Test/Evaluation by Course:" at the top of the page.
2. Type in "13017" and hit enter.
3. Click on activity title when it appears.
4. Choose your profession/type of credit you are seeking.
5. Complete the online Evaluation Form.

Upon completion of the form, you will have immediate access to a certificate of attendance to print or save for your files.

If you have any questions regarding the CME certification for this activity, please contact Postgraduate Institute for Medicine at: [inquires@pimed.com](mailto:inquires@pimed.com) or (303) 799-1930.
